CASE STUDY—Harbour Authority Training

Customer problem/requirement

Harbour Authorities have diverse training needs which can range from the Governance requirements for Board Members to Port Marine Safety Code (PMSC) familiarisation for Deputy Harbour Masters.

Benefits to customer

We have unrivalled experience in this type of training and take pains to tailor it to the specific needs of our customers.

Special Skills brought by regs4ships

We know the ports industry and we know maritime regulation, particularly the PMSC and we have particular expertise and experience in delivering this to our customers.

What our customers thought

"Harbour Authorities are diverse by nature and the assistance we can provide will recognise that diversity. We are independent, yet we strive to work with those seeking our assistance to provide pragmatic solutions. We are available on a 'pick and put down' basis or on longer term packages tailored to our customer's needs"

**Mark Capon, Managing
Director, regs4ships Ltd**

They value our commitment to customer service and continue to call on us for our help whenever it is required.
